Brockwell Park and the area surrounding area are important to Brockwell Live. Each year we reach out to as many businesses as possible to find out how to best support them.

This year Brockwell Live has actively engaged with more than 30 local organisations and presented them to our audiences.

In addition we run employment schemes and are pleased to exhibit the second year of Off the Fence, a community led project with The Brixton Project.

If you would like more information please email: [localbusiness@brockwell-live.com](mailto:localbusiness@brockwell-live.com)
